Suicide Prevention – Unified Research (SPUR)

SPUR is a research engagement project facilitated by PEACHnet, a practice-based research network based in western Colorado

2nd SPUR Conference (Virtual) – November 12, 2021

- Kellyn Ender: Kellyn Ender with Building Hope Summit County. We lead a Suicide Prevention Action Team in Summit County and all of our programs at Building Hope are geared towards Suicide prevention on some level
- liz: Liz Bell with the James Kirk Bernard Foundation. Our mission is to support investigation of biological and environmental contributors to suicidal behaviors in the hopes of expanding tools for prevention.
- Arlina Yazzie (Montezuma): Arlina Yazzie, Montezuma County Public Health Department. Colorado-National Collaborative/Essentials for Childhood Grant Co-Coordinator. We help to facilitate the first suicide prevention coalition in Montezuma and Dolores Counties. In this work we are implementing the first of it's kind suicide prevention model through the Colorado National Collaborative
- Sallie Bernard: Sallie Bernard, also with the James Kirk Bernard Foundation located in the Roaring Fork Valley.
- Joanna Robbins, SSD: Are your teams looking to work with other school districts around this work?
- Erica Kitzman: Thanks Dr Mueller! I wonder if you can speak to Sources of Strength school and community programs' effectiveness and/or challenges
- Kelly McGann - FIRC: How frequently do you engage with the community advisory boards? or how often do they meet?
- Carol Johnson: What about suicide prevention for home school students
- Erica Kitzman: ^^ Carol, Becky Vroman at St. Matthew's in Grand Junction and I are working with CDPHE OSP to offer homeschool and community org based Sources of Strength programming. Feel free to reach out to me or Becky. My number is 970.260.8913
- Mary, RHC, TCHNetwork: SOS is great until the funding goes away, or the Champions who were leading it leave, same with other prevention programming, wish we could prioritize sustainability!
- Elena Broaddus | she/her: Dr. Mueller, one of our goals for this convening is to work together to develop research questions. Can you talk about how input from the
